# Financial Arrangements

Treatment fees paid in full at the records appointment save us paperwork and time. Thus, we will reduce your fee to match these administrative savings.

In our continuing effort to contain costs, we offer automatic bank draft as our standard form of payment. If you prefer another method of payment, it can be arranged for an additional administrative fee.

At your records appointment, you will be expected to make a down payment to cover initial costs and sign a "Consent To Treatment" form before records can be taken.

It is critical that you meet your financial obligation. If your financial situation changes, we will be glad to discuss rearranging your payment schedule to fit any new circumstances.

We will be happy to assist you in filing the necessary forms so you can receive the maximum insurance benefits to which you are entitled. However, we do not accept insurance assignment; the insurance benefits go directly to the insured.
